Yelvertoft Primary Concerns

Dear Parents and Carers

I would like to say a huge well done to all of the children for their Christmas Performances. They were amazing. We have our final performance this evening. On Monday the children will all be making Christingles and we will then have a short assembly. You are very welcome to come and join us.

On Friday we will all be wearing our Christmas Jumpers to raise money for Save The Children.

The children had their Lockdown practice today which went very smoothly. Please make sure you read our policy so that you are aware of the procedures we will follow.

Thank you all for your continuing support.

Best Wishes

Mel Servent

Yelvertoft School Association

The Christmas Fayre was very busy this year. Thank you all for attending. There are still some decorations made by the children for sale. These are in the main entrance and will remain there until the end of term. All items are now 50p.

- 12th 14th December - Secret Present Room. This will be happening this week. If you have not returned your slip but would like to take part please return as soon as possible to avoid disappointment.
- The YSA will be providing refreshments during our Carols in the Playground at the end of term. I do hope you can join us.

We hope you can support us with these ventures as every little helps us to raise funds for our school.

Parking outside school

There have been several incidents over the last couple of weeks involving vehicles not being able to drive into school lane and difficulty for coaches passing the school. These have been due to vehicles being parked opposite zig zag lines outside the school. It is against the Highway Code to park opposite zig zag lines and the police will issue fines. Also, and most importantly, children are finding it very difficult to cross the road with so many vehicles obscuring the road. I am sure you will agree with me that we want all the children to be safe while crossing the road. There is parking available in the Village Hall which has a pavement leading to the school.

While parking at evening events at the school please make sure that you do not block any resident's driveways. This did happen during the Christmas Fayre on Friday.
