Yelvertoft Primary Concerns

Dear Parents and Carers,

As I am sure you are aware we are currently having a new piece of play equipment put into the KS2 playground. We are very excited about this as it will be a wonderful addition to our playground activities. This is still being installed and although there has been a cordon around the area, children have been playing on and around it after school this week. We have also had parents slipping on pebbles that have been kicked off the area around the tree. On Monday or Tuesday next week the wet pour will be placed around the KS2 equipment which will need significant time to fix. These issues, alongside previous concerns in the playground which have impacted on KS2 learning time, has resulted in the need to introduce a new format for collecting children at the end of the school day.

Starting on Monday - please wait **outside** the playground for your children at the end of the school day. The class teachers will bring the children to the gate on the playground. Class 1 parents can walk up to the internal gate to the KS1 playground to collect their children and then leave the premises. Class 2 & 4 children will use the front gate. Class 3 will use the main gate to the KS2 playground

Thank you for your co-operation and understanding.

Best Wishes

Mel Servent
