Yelvertoft Primary Concerns

Dear Parents and Carers,

The weather was very kind to us this week and we had a wonderful Sports Day on Tuesday. The children were all brilliant, supporting each other and doing their very best. Thank you to all of the parents who could come and take part with us. The scores were very close with only 10 points separating 4th and 1st place. Congratulations to Newton for winning the Sports Day this year.

The children in KS2 are working on their end of term production and information regarding tickets will be coming home shortly.

As the weather is improving please make sure your child has a named hat in school.

Best Wishes
Mel Servent

Records of Achievement

We were very fortunate to have a visit from the Canal and River Trust today. All of the children had an assembly explaining about water safety and then KS2 took part in some workshops involving Water Safety, Geography, Science and problem solving involving building bridges as a team.

Thank you very much to the Canal and River Trust for providing these sessions for our children.

Congratulations to all the children who have received awards this week they will receive their badges and certificates in assembly on Monday.
