Yelvertoft Primary Concerns

Dear Parents & Carers,

Thank you all so much for coming to our Christmas Fayre on Friday. It was wonderful to see so many pupils and parents having fun and lots even managed to see Father Christmas! I would like to give a huge thank you to the YSA for organising everything.

It is beginning to feel a lot like Christmas in school! The children are practicing for their Christmas performance, the Giving Tree is now in place and decorations are starting to appear, even my office door has a Christmas tree this year!

If you have not received your tickets for the Christmas production by KS1 please contact the school office.

As the weather gets colder they are welcome to also bring in hats, scarves, and gloves to keep warm but please remember to name everything! We have a very large amount of lost property, please do pop in and have a look if your child has lost any uniform this term.

We are all looking forward to a very busy, Christmassy next two weeks!

Wellbeing - School Counsellor

We do have a trained school counsellor in the school who will be providing an amazing counselling service offering mental health support to staff and pupils. This is being provided by Miss Shaw. Childhood and adolescence can be a very difficult and confusing time and pupils may be struggling with their emotions which can have a negative effect on their mood, school, and home life. Talking things through with a trained therapist can help them to make sense of themselves and what is going on for them so that things can feel more manageable.

Miss Shaw is spending time with each class during lunchtime both in the classroom and in the playground.

School Governors

Have you ever thought of joining our governing body?

We are currently looking for a new parent governor as well as a co-opted governor, which can be a member of the local community who does not need to be related to a pupil at the school.

If you are interested, please do email me to find out more head@yelvertoft.northants-ecl.gov.uk or speak to Paul Starkey who is our current chair of governors
