## COMPETITIONS

This term a few children have been taking part in sports competitions. These were fixtures against other schools and at Pacesetter competitions.

### YEAR 1/2 DODGEBALL

Year 1 and 2 took part in a Pacesetters Dodgeball competition against other schools. The children were brilliant and showed a good range of dodging and throwing skills. The children came 4th! The children had a great time.

### YEAR 5/6 DODGEBALL

Year 5/6 came to the event ready to show their skills they had learnt in PE. The children showed a great range of catching, ducking, dodging, diving and throwing skills. The children had lots of fun and the teachers were really impressed.

## 2 FOOTBALL MATCHES VS GUILSBOROUGH.

Year 4/5/6 took part in a match vs Guilsborough which took part at Yelvertoft. The children were brilliant showing off their teamwork, communication and football skills. The girls unfortunately lost to a very strong Guilsborough team. The boys won 4-3 against a strong Guilsborough team. Both teams fought until the very end and represented Yelvertoft brilliantly.

## YEAR 3/4 BOYS FOOTBALL

The boys turned up to what we knew would be a tough tournament. The boys gave it their very best but walked away disappointed. They showed great determination, teamwork, and skill. That was their first tournament so the boys showed great character especially as they haven't played as a team before.

This term Willow class have been learning about Me & Myself and Ball skills.

Chestnut class have been learning football, dodgeball, Netball and dance.

Oak Class have been swimming, learning football and Netball.

Hazel Class have been learning football, dodgeball, Netball and dance.

We finished the year with Christmas themed games, where the children were decorated like Christmas trees.
