Dear Parents,

It has been a very busy and exciting week. The key stage two pupils have performed their wonderful production of 'Lights, Camera, Action!'. I thoroughly enjoyed the show and can't believe what a wonderfully talented and confident group of children we have here at Yelvertoft. It was obvious how much the children enjoyed performing and equally how much the audience appreciated it. I hope you enjoyed the show as much as I did. Many thanks as always do go to all the staff who work so very hard to make these things happen.

I am currently keeping a running total of house points because this year we will be awarding a House Shield to the House who has gained the most points throughout the year, this will not include the Sports Day points. The points are currently very close!

We have received a Safety leaflet from the Northamptonshire Emergency Services reminding parents and staff of the potential hazards to avoid over the summer holidays. Mrs Bates has emailed this out to you all. If you have not received a copy please let me know.

I hope you all have a restful weekend.

Best Wishes

Mel Servent

Important Message from Northamptonshire Police

Parking outside schools is a significant problem across the county. With the new school year fast approaching parents are reminded to be mindful when dropping off or picking up their children and not to fall into the habit of parking illegally or in a thoughtless or dangerous manner.

The area outside school entrances must be kept clear to allow an unrestricted view for approaching drivers and riders or children wanting to cross the road. Road markings are there for a reason and drivers must not wait, park, or stop to set down and pick up passengers on school entrance markings.

Parents are also reminded not to park inconsiderately and in a way which will inconvenience residents, other road users or in a way that obstructs the road.

Parents are advised to not stop or park:

- Near a school entrance
- On any zig-zag road markings
- Anywhere you would prevent access for Emergency Services
- At or near a bus or taxi rank
- Opposite or within 10 metres (32 feet) of a junction
- Where the kerb has been lowered to help wheelchair users and mobility vehicles
- In front of an entrance to a property
- On a bend
