Lunchtime Supervisor Vacancy

Monday, Wednesday and Friday
 11.45 am - 1.15 pm

Please do come in and have a chat if you are interested. All you need is time, a warm coat, sense of humour and to enjoy working as a team.

Hockey Club

Hockey after half term will be outside so shin pads and gum shields must be worn.

Class 2 Assembly Reminder

Class 2's Assembly will be on:

Thursday 22nd February at 9.15 am.

You are warmly invited to coffee/tea served in the hall from 8.45am.

Play Structure

We are delighted to say that the play structure is due to be installed by the end of March, ready for the new term.

Class 4 and their Websites

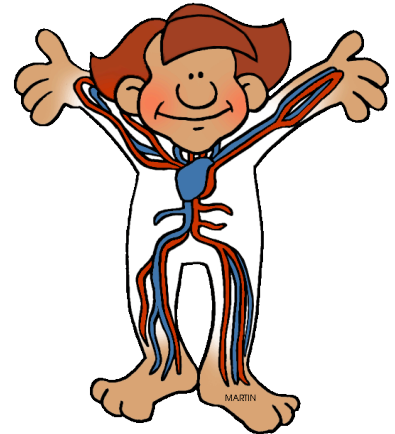

In Class 4 we have been learning about the human body, Specifically the circulatory system, the transportation system and diet and exercise.

As we have been learning, we have been putting this information on our very own websites which are currently live on the internet!

Although we haven't quite finished the topic, we wanted to show you what we have been doing. If you type in the address below and then add your child's number (they know this!) to the end, it will take you to their website.

We hope you enjoy looking at them and learning about the human body.

The Children's Wellbeing

May we remind you that children must remove their own earrings for P.E unless recently pierced. We suggest if you child wishes to have their ears pierced this is done at the beginning of the school holidays.

Nail varnish is not allowed in school as this can prove to be a distraction during lessons.

Not in school!

It is very important that every child has a good meal at lunchtime and we do ask that packed lunches are a mix of healthy foods.

We have noticed that there is a lot of wasted hot food from those receiving hot meals, saying they do not like the choice given them. Please can you ensure that the children make their selection with you to avoid this wastage. Thank you.
