Records of Achievement

Well done to the following children:

Lucas Howard for fantastic local knowledge on our village walk; **James Fleming** for excellent taking away in Maths; **Tommy Starkey** for knowing all about keeping healthy; **Eva Newhouse** for a superb 'when I was a baby' drawing; **James Hetherington** for ICT skills coding; **Freya Scull** for reading progress; **William Holmes** for ICT coding; **Kelsey Sarson** for Maths doubling/2nd shape; **Lily Morris** for excellent work on 'Climate Zones'; **Vinny Schofield** for super Haiku work in English; **Corban Sarson** for excellent effort all week in Maths; **Jack Armstrong**, **George Faulkner** and **Benoit Tye** for amazing homework on food journeys; **Cleo Parker** for excellent work on measure in Maths; **Alfie Rendall** for a super newspaper report on Leicester City; Sarah Southam for settling back into school so well.

These children all received their awards at our

Parking

Please be very vigilant and aware of the children's safety and our neighbours when parking. Recently a house near the school had it's driveway blocked by a parked car and the access was required by someone with mobility problems.

Cars should not be parked on the junction when dropping children for breakfast club and we strongly advise not parking opposite the zig-zags.

Thank you for your consideration.

Y6 MOCK SATS WEEK

Next week, we will be running a mock SATs week for the Y6s. This is so they get used to how the examinations will be run and where they will be for them. They will sit some test papers from TEST BASE and the results will be used to guide revision lessons after Easter. I know some of the Y6s may worry about this but please reassure them that it is just to help them get used to the exam conditions and achieve the very best outcomes in the real thing.

I also want to thank all the Y6s who have been coming to the early morning English revision sessions. They are really benefiting from the small group environment. I have sent a letter home this week about running Maths revision sessions on the Wednesday (Arithmetic) and Thursday (reasoning). If you haven't received this letter but would like your child to come, you can email me your consent at class4@yelvertoft.school

Many thanks for all your support and help!

Mrs Bennett

Year 6 Bikeability

Please ensure Year 6 Bikeability forms are returned to the school office on Monday 19th March. Thank you.

Sickness Reminder

If your child suffers from a sickness 'bug', we ask that they do not return to school until 48hrs following the last bout of vomiting or diarrhoea. This will minimise the risk of spreading the infection.

Thank you for your co-operation.

Charity Chairs

Do you know of a local charity who would like to receive free, a dozen, low armless easy chairs, covered in blue fabric? They have recently been used in the staff room. Please see Mrs Bates in the school office if you know of a charity who could benefit from these chairs.

World Book Day

The children have today each received a 'World Book Day' token, which we hope they will enjoy using. Please note the end date is **25th March**.

Although we had to cancel the planned Book Day, due to the snowy weather, we don't want the children to miss out and so we will be holding a Book Day in the summer term.
