Friday	Lunchtime	Computer for all	Mrs Bennett & Yr 6

Message from Mrs Servent

The summer term is speeding past. It was lovely to see so many children coming to our new athletics club on Monday. If your child would like to join us please ask.

This week has seen the caterpillars in Class 2 growing at a rapid rate, it won't be long before the butterflies appear. Class 1 have been learning about Jack and the Beanstalk and have made some lovely beanstalks, Class 3 have been making teeth and jaws from clay (remember to brush your teeth!) and Class 4 have been taking part in role-play drama about the Tempest, it was very interesting listening to the character's thoughts. Class 4 are still looking for a volunteer to come in to hear children read. If you think you can help please come and let us know.

House Points

Darwin 1202

Einstein 1039

Galileo 1217

Newton 1319

Records of Achievement

Well done to the following children:
Alex Ierna for excellent work on money; **Luke Grainger** for super 'gameshow' work in English;
Bethany Morris for pushing herself to do 'extra' work; **Scarlett Crews** for lovely coin recognition work in Maths;
James Fleming for confidence in Phonics; **Tessa Clews** for fantastic work in literacy; **Bethany Shaw** for making a brilliant model house; **Charlie Welstead** for fantastic work in maths;
James Hetherington for thoughtful problem solving in maths; **Nathan Lilley** for super sentences using conjunctions;
Jessica Dymond & Matilda Kington for super story ideas; **Logan Bannerman** for settling in well at our school; **Topsie Egan & Sarah Southam** for writing brilliant history riddles; **Kayla Sarson** for excellent writing about the Tempest.

These children all received their awards at our Friday assembly.

Attendance Awards

There were 27 children who gained their 100% attendance certificate and a further 18 children whose attendance was higher than 98% last term. Well done to all of those children. Every day in school does contribute to your learning.

New Parent's meeting

This will be taking place on Thursday 7th June 5.30-6.30pm. All new Reception parents are welcome to attend. We have arranged for the school uniform suppliers and the school meal providers to be present. There will be samples of the food for you to taste.

Bronze House points Awards

Congratulations to:

Mcauley Dobson
 Oliver Faulkner

for gaining 50 House points and achieving their Bronze Awards.

Silver House points Awards

Congratulations to:

Charlie Frodsham
 Kaitlyn Mays
 Kayla Sarson
 Alfie Weeks

for gaining 50 House points and achieving their Silver Awards.

Recycling Success

We have now filled our first battery recycling bucket which will be collected soon. Keep sending your used batteries into school!
 We have also filled our first biscuit wrapper recycling box.
 Well done to all the children for helping with recycling our rubbish.

Can you help?

If you have any **spare hats** that your child has grown out of we would appreciate any contributions to our spare hat collection.
 If you have any **recorders** at home which are not being used we would appreciate them.
 Do you have any **fabric scissors**? Class 4 would like to borrow some on Tuesday 1st May.
 Thank you in advance for your help, it is very much appreciated.

May Day
Wednesday 23rd at 1.30 pm

The May Day Celebration is a very traditional part of the school calendar. All classes are busy practising their dances in preparation. Children may attend school dressed ready for dancing or change at lunchtime.

We would prefer it if girls wore dresses or skirts with a blouse and boys to wear a smart collared shirt, with black trousers or shorts.

The exception to this is the Year Six boys who are required to wear a long sleeved white collared shirt with black trousers or shorts.

Please let me know if you have any problems acquiring a white shirt. All children should be wearing their school black plimsolls for the dancing.

The dancing will commence at 1.30pm with a parade around the playground followed by a speech from our May Queen. After this each class will be performing dances around the Maypole and sharing some country dances. As is traditional, the Year Six boys will be performing a Morris Dance.

We would be very pleased to receive donations of flowers, especially Lilac, to decorate the May Pole, these can be brought to school on Wednesday morning. We will also be using petals as confetti during the parade so any suitable flowers would be gratefully received for this too.

Further details relating to refreshments will be circulated over the next couple of weeks.

Please do come and join our celebrations on the school playground.

Dates for the term

- 14th—17th May SATS for Year 6
- SATS Year Two. During May.

**Want to win an Olympic Gold medal?
Well, you'd better start playing hockey!!**

Hockey is not only one of the sports that GB is the most successful at, it is also an amazing way to keep fit, make friends and have a great social life!

Come and join us at Naseby Playing Fields on a Sunday morning from 10-11 for U8s and 11-12 for U12s and see if hockey is the game for you!

Starts Sunday 22nd April and finishes Sunday 20th May
