Message from Mrs Servent

I would like to thank everyone for sending the children into school with hats and indeed coats as necessary. The weather is being unpredictable at the moment so please do continue to watch the forecast for each day as we do like going outside whenever possible.

I have a few hats in our spare hat box but if you have any other hats that your child has grown out of please do send them in. The lost property box is still growing—this will be outside the front office after school next week, please do come and have a look.

Please could any outstanding medical forms be returned to Mrs Bates as soon as possible.

Parking

Please use the village hall carpark. There is then a pavement that the children can walk on safely to get to school. Some cars have been seen blocking driveways and parking opposite the junction while unloading/loading children onto the road.

Sports Day 14th June

We do hope that you can all join us at our annual Sports Day which will start at 1.30pm.

The children will be wearing Sports Kit all week as we are having a PE enrichment week. **On Thursday they will need to wear a t-shirt that is the colour of their house for Sports Day.** Following Sports Day Events children may be collected from their classrooms to enjoy the now traditional stalls, BBQ and Bar organised by our YSA.

This is always a really lovely event and we do hope you can come and join us. Thank you for the jars of sweets that have been sent in today. If anyone has any more jars to add to the collection please do bring them into school before Thursday.

We are hoping for a lovely fine day, but if the weather is uncertain a decision will be made by 12 noon and a parent text will be sent out.

The reserve date for Sports Day is Tuesday 19th June.
