Message from Mrs Servent

We have had a very busy and exciting week at school. Every class has been taking part in our PE enrichment activities. The children have taken part in cricket, rounders, yoga, dance, tennis and tag rugby as well as our Sports Day. They have also been learning about keeping healthy and all about what happens to their body as they exercise. Thank you all for supporting our Sports Day this year—congratulations to Newton! The lost property box will again be outside the front office after school next week, please do come and have a look.
