

Dear Parents & Carers

We are members of National Online Safety and I would like to invite you to join the learning hub through the link below:

<http://nationalonlinesafety.com/enrol/yelvertoft-primary-school>

Please watch the how to use video once you log in.

They have updated their online safety videos for parents, which are now, bite size 5-8 mins and are specific to the age range of your child. If you could watch the video suitable for your child, it would help our school community to achieve the National Online Safety status for this year.

Best wishes

Mel Servent
