FUNDRAISING WILL GO TOWARDS

With the above totals and another £3845 in grants so far since September 2021 our school has raised enough money to buy 12x new ipads and are working towards new laptops for each class.

With our 5p challenge completed each class will be able to buy more resources for our children.

None of the above could have been possible without every single one of you, so the PTA would like to thank you all for your continued support especially during this difficult time and hopefully we can do lots more fun events for our children.
