

Welcome back

We are all very happy to have the children back on site today; it is lovely for the school to be filled with smiling faces and laughter again.

We would really value your feedback about the remote learning offer that we provided during the National lockdowns. The teachers really enjoyed making all of the videos for the children and seeing all the amazing work that the children submitted on Google classroom. We hope that you found it useful and that the children enjoyed the activities and the meetings.

We would like to invite parents to complete our survey regarding remote learning. There are only 8 questions which can be answered with a click. It should not take more than a few minutes and can be accessed via the link below.

The school has tried very hard to provide good quality remote learning for the children during this pandemic while all schools were closed to most pupils. If you found it useful, we would love to hear from you, equally, if there was anything that did not work as well as it could have done, we would like to hear about that too.

Many thanks for all your continued support during this time.
