Dear Parents & Carers

Birthday Celebrations in School

As a result of current Covid restrictions and school closure over the Spring Term, many children have missed out on celebrating their birthday with family and friends as they usually would, with parties and gatherings that are currently not allowed during this time. We understand our children have already had so many changes and had to adapt to new rules and regulations both at home and at school, and their emotional wellbeing is something that is very important to us.

Therefore, we would like to give them the opportunity to celebrate their birthdays in school with their class bubble friends! We have decided that we will hold a birthday party within each class bubble on the last Friday afternoon of this term. This will be to celebrate all the children who have had a birthday during January, February and March!

All children will have their lunch as normal. During the special Friday afternoon, school will provide fun games, activities, snacks/treats and a party atmosphere. There will also be a little cake for each birthday child! All of the party costs will be covered by the school. Children must still come to school in their PE kit.

These will then continue monthly, until the restrictions on social gatherings between households are lifted and the children can once again celebrate their birthdays with their friends.

We look forward to giving every child the opportunity to celebrate with their friends and mark their special day.

Thank you for your continued support

Mel Servent
