Yelvertoft Primary Concerns

Dear Parents and Carers

We have all had another lovely week in school. The children have been making a film in school over the last few days. They have written the script, made the scenery and the puppets. We will be sharing the film with you next week via our school website class pages.

The children and staff have had a great time at Kingswood, I am so very pleased that we managed to go this year!

I would like to say a huge thank you to all the teachers who have gone with the children - Thank you!

The end of year reports will be coming out on Monday. After many years driving the school mini-bus Janet is handing over the wheel to a new driver in September. I would like to say another big thank you to Janet. We have invited her to join us for the leavers service this year.

Many thanks for your continued support in keeping our school family safe during these challenging times.

Best Wishes

Mel Servent

Yelvertoft School Association

Dear Parents,

Our last PTA Primary concerns of this Academic Year and WOW what a year it's been.

Firstly, I wanted to thank you all for the support we have had this year, without all of that we wouldn't have had such a successful year, even in this current climate.

I couldn't be any prouder to be Chair of such a supportive, caring school, our PTA has worked so hard in the background with trying to do as many things for the children as we were allowed to do with the current situation. A huge thank you to them and the teachers, they all give up their own time to attend meetings and help with setting up events, ideas and have made the PTA what it is today and I couldn't do it all without them.

My final thank you is to all the teachers, TA's and everyone at school, they have all been amazing, we wouldn't have been able to raise money on Bubble Cinema nights where they give up their own time to stay with the children as the PTA couldn't, they worked so hard through all the lockdowns and more importantly kept all our children safe.

To date we have raised a massive £10,725.18 from September 2020, this has enabled us to buy new rainbow benches for the school field, a whole new set of ipads, a whole new library of reading books / resources for each class and finally equipment for the nearly finished newly built class 2 outside area.

On Monday 19th July we will be having a Mufti day, we are going for a Hawaiian themed party but children can come in Hawaiian / colourful or just regular mufti and the contribution for this is £1, we plan on doing a party for them all with music, sweets and our PTA will be serving ice creams. We hope the children all enjoy this and get chance to spend some time with their friends before they finish school, the PTA are very excited to finally be able to do a proper event for them all.

Each child will also receive a framed photo of them with their class, the wooden frame can be decorated with colours / stickers to your child's taste, we wanted them to have a keepsake item of the time they finally got to be back with all their friends. We hope they like it.

Thank you all again for the support and grants we have managed to receive in the last year too, the above amount raised wouldn't have been possible without every single one of you.

We look forward to coming back in September and hopefully arranging lots of different events for the children and the adults too.

If you have any questions, please feel free to get in touch at:

pta_yelvertoftschoolassociation@yahoo.com or if you would like to join our PTA you are more than welcome to get in touch on the above email. We are always looking for new members, our next AGM meeting will be on Monday 6th September at 7:30pm.

We hope you all have a lovely summer break and stay safe.

Kind regards
Katie
