# Yelvertoft Primary Concerns

Dear Parents & Carers

We have had another busy week in school. The children are working really hard and have been doing their very best to be kind to everyone this week. Don't forget that the children can come into school in their own clothes on Monday as we will be celebrating the Chinese New Year. If you are creative they could come dressed as the animal from the year of their birth. I have attached a sheet to the jotter so you can check!

We have added some further dates for the term onto the dates including Red Nose Day and Science Day so please make sure you take a look. The new dates are in red.

We are still holding our Paddington Tea every Thursday afternoon between 2-3pm, anyone in the village is very welcome to come and join us for a cuppa and a biscuit.

The weather is very cold at the moment so please make sure that your child has suitable warm clothing each day.

## Yelvertoft School Association

Dear Parents,

Welcome back to a New Term. We are hoping to get some events planned for the children at our next PTA meeting next week so I will let you all know when we have more exciting things planned.

We are also hoping that the work is beginning over the next few weeks on our Sensory Garden, I will keep you all updated and try and get some pictures to share with you of the progress.

We would love any new members to join us at our meetings or to even lend a hand with events etc as these can't run without our volunteers. Please email us on [pta\\_yelvertoftschoolassociation@yahoo.com](mailto:pta_yelvertoftschoolassociation@yahoo.com) to join us. You are also welcome to use the above email address for any questions or problems.

Please also look at joining our school lottery, a winner from our school wins a cash prize every week, this generates money towards our goals, to get involved please visit <https://www.yourschoollottery.co.uk>. Thank you to all that have been supporting this and our PTA to generate money towards our children's school.

We also have our easy fundraising app which is another amazing app to use, along with our Amazon Smile, if you go through either of these for your shopping it generates money towards our school and doesn't cost you any more than what you were buying.

Thank you for your continued support and for helping us with achieving our goals.

Have a lovely weekend.

Kind regards

Katie

## Wellbeing - School Counsellor

We do have a trained school counsellor in the school who will be providing an amazing counselling service offering mental health support to staff and pupils. This is being provided by Miss Shaw. Childhood and adolescence can be a very difficult and confusing time and pupils may be struggling with their emotions which can have a negative effect on their mood, school, and home life. Talking things through with a trained therapist can help them to make sense of themselves and what is going on for them so that things can feel more manageable.

Miss Shaw is spending time with each class during lunchtime both in the classroom and in the playground.
