

Dear Parents & Carers,

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Learning how to act safely when using the internet is an incredibly important part of safeguarding our children.

Yelvertoft Primary School have shown our commitment to protecting our pupils online by working with National Online Safety over the last four years providing resources for all parents and carers. We are currently an accredited online safety school and to retain our whole school commitment to keeping children safe online I would ask parents to watch some of the parent information courses regarding keeping children safe online. These are short bite size videos that are about 5 mins long and there are different videos for different ages so you can keep up to date as your child gets older.

The resources include Parents & Carers courses (presented by Myleene Klass), online video resources and weekly guides covering a huge range of topics.

To create your account, please follow

<https://nationalonlinesafety.com/enrol/yelvertoft-primary-school>

and complete your details. When you're set up, you'll be able to set 'Parent/Carer' as your user type.

You can access National Online Safety online via any device- including via our brand-new smartphone app. To download the app, please go to:

<https://apps.apple.com/gb/app/national-online-safety/id1530342372>

<https://play.google.com/store/apps/details?id=uk.co.nationaleducationgroup.nos>

Alternatively, search for 'National Online Safety' in the App Store/Google Play Store.

Many thanks for your continued support

*Mel Servent*
