Yelvertoft Primary Concerns

Dear Parents & Carers,

It has been lovely seeing some sunshine this week although it still has been a bit cold with the wind. As the weather does get warmer please make sure your child has a sun hat and sun lotion when needed.

We do have lots of exciting events this term including the Kings Coronation and our May Day celebrations. Please see notices on the jotter for further details about our Coronation celebrations. I will be sending out more information about the May Day over the next few weeks. The children have all now started practicing their dancing around the May pole and it is going really well. Lots of skipping and laughter!

There are some cases of sickness and temperatures in school at the moment including tummy bugs, Covid and Chicken pox so please do let us know if your child is poorly. If your child is absent from school please try to let us know as soon as you can so that registers and lunch orders are correct.

Best wishes

Mrs Servent

Wellbeing - School Counsellor

We do have a trained school counsellor in the school who will be providing an amazing counselling service offering mental health support to staff and pupils. This is being provided by Miss Shaw. Childhood and adolescence can be a very difficult and confusing time and pupils may be struggling with their emotions which can have a negative effect on their mood, school, and home life. Talking things through with a trained therapist can help them to make sense of themselves and what is going on for them so that things can feel more manageable.

Miss Shaw is spending time with each class during lunchtime both in the classroom and in the playground.
