To the families of students taking instrumental or vocal lessons with an
NMPAT teacher in schools

May 2024

Dear families

Please find attached your child's Pupil Profile, from their NMPAT teacher.

This document is your annual written communication from NMPAT. It's intention is to allow you to have an insight into your child's achievements so far, and to give your child the opportunity to reflect on their progress, and decide on their future targets.

We hope that this will provide a sense of ownership to our students, inspiring them to keep investing in their own learning and maintaining momentum.

We would be delighted to hear your feedback on the Pupil Profile format and invite you to contact us directly using the details below.

Please don't hesitate to contact your child's teacher if you would like further clarification, or if you have any queries regarding the content of the Pupil Profile.

Yours sincerely

NMPAT
